

The **ActivBoard Mobile System**, featuring renowned ActivBoard reliability and a state-of-the-art extreme short throw projector, provides high-performance, all-in-one capabilities in a modular, movable solution.

Why the ActivBoard Mobile System?

All-in-one solution — The ActivBoard Mobile System brings together the best of Promethean's industry-leading technology — a durable and reliable ActivBoard, extreme short-throw projector, and award-winning ActivInspire educational software.

Mobility and flexibility — When flexibility of teaching location is critical, or space and room design prohibits the use of permanently installed interactive whiteboards, the ActivBoard Mobile System allows educators to take the ActivClassroom almost anywhere.

Advanced projector technology — The extreme short-throw projector creates clear, bright images while dramatically reducing shadows. Featuring remote projector management and the industry's first 6000-hour lamp, with no filters to clean, the extreme short-throw projector provides cost-effective projector control and maintenance.

Choice of accessories — The ActivBoard Mobile System offers a choice of high-quality accessories to increase flexibility. Locking laptop shelf, dry-erase board and a lockable storage drawer can be added at any time to meet the needs of educators in any learning environment.

All-in-one solution includes:

- ActivBoard
- Extreme Short-Throw Projector
- Height Adjustable Mobile Stand

Optional accessories:

- Lockable Laptop Shelf
- Double-Sided Dry-Erase Board
- Large Storage Drawer
